Nuts says: 'Get well 'Arry!'

A message of support for our favourite manager!

THE FINEST manager in the land, 'Arry Redknapp, has been forced to take some time off work because of his dodgy ticker. Boo! But we at Nuts wanted to make sure he knows that we'll all miss him. So we went to White Hart Lane armed with a gigantic card and two naughty nurses to help deliver it, and got it signed by the 'Arry-loving people of Tottenham. And we're happy to report that they were united in their message of goodwill. "Get well soon, 'Arry!" they said. "Then be England's next manager because that Italian plank's blooming useless." Amen!

WELCOME TO
TOTTENHAM HOTSPUR

"Hang on,
he's technically
dead!"

HARRY'S HEROICS!

Before his health scare, Harry was named manager of the month for September.

WELL WISHERS!

"Nurse, I need treatment too! And me! And me! And..."

"Get well boobs, Harry. Er, I mean soon, Harry"

Messages from fans!

James, of Jack's Café
"Recover speedily, 'Arry! I'd promise you a fry-up but you've enough heart problems as it is!"

Daniel, Tottenham foundation course student
"Harry, Spurs need you this season. We want you well, and soon!"

Ali, owner of Hotspur Café
"I hope he get well soon. We need him to look after team otherwise we be headless chickens!"

Steven, working on new Spurs stadium
"I hope he comes back soon because Spurs need the points!"

"So, there's a postbox round the corner then?"

Business suddenly went through the roof

OOH, NURSE!

Batman: nearly done!

Dust-up in New York marks end to filming!

➔ A MAN in a cape fights his way through 1,000 furiously scrapping extras to take on his nemesis – a huge bloke in bizarre breathing apparatus – with gunfire and explosions going off left right and centre and snow falling all around. These are exclusive shots from New York of some of the final filming of next year's movie of the year: *The Dark Knight Rises*. And boy, these are good.

British director Christopher Nolan recruited over 1,000 extras to play Gotham City residents rioting against the police in the biggest fisticuffs we've ever seen, all in the heart of Manhattan's financial district.

So that's the filming wrapped. Now there's just the small matter of an eight-month wait till it hits multiplexes. That's almost as long as an actual baby!

HE'S BACK!

NEW SUIT!

Batman's new suit looks more technical than last time. This could be for flexibility to better fight the inhumanly strong Bane, or a tech upgrade to keep it up-to-date.

BATGIRL'S RIDE!

This isn't *the* Catwoman, Anne Hathaway, but a stunt double on what looks like the Batpod. So, Catwoman and Batman work together. Word is she's a fellow vigilante.

GOTHAM CITY?

Warner Bros paid £27k to shoot for three days at New York's City Hall, and stumped up for police and fire officers to be on site. Costly, but it'll be the movie's epic ending.

EXPLOSIVE!

NEW VILLAIN!

Bane (Tom Hardy) is Batters' nemesis this time. He's a tactical genius allied to super strength he gets by inhaling Venom – strong man serum – hence the face gear.

CORRUPT COP!

Matthew Modine's Officer Nixon, a corrupt cop who joins forces with Bane to break the system from the inside. He's the main authority foe to Commissioner Gordon.

NEW ROBIN?

Joseph Gordon-Levitt is cop John Blake, recruited to Commissioner Gordon's (Gary Oldman) anti-crime task force. Rumour is he may end up as Robin in the next movie.

Tom Hardy on Bane!

On the audition...

"I said to Christopher Nolan, 'You're asking me to travel the world with you in a *Batman* movie and the only downside is I have to wear a mask? Hmm, let me think. No, I'm f**king there, man!'"

On following Heath Ledger...

"Brilliant actor, brilliant work – that's it. I've got a job to do.

I'm not here to engage in a competition with talent. It's to play the role that I'm given."

On Bane's mask...

"The only downside is you can't hear a word! Batman can't hear me and he can't see me speaking so we've been doing hand signals. I put my thumbs up when I finish my lines. And he wiggles his fingers out of shot and I go, 'OK, now I've got to run up and kick you in the b!locks!'"

'Well. This is humiliating!'

Rare black rhino takes a trip.
Hanging off a helicopter!

AS LOVELY and cuddly as infinitely

protectable as black rhinos are, they're well known for their sharp temper and resistance to doing what they're told. (Like many ladies of our acquaintance we'd say. If we weren't consummate feminists.)

So transporting them 15 miles over a South African mountain range posed unique problems for the WWF chaps tasked with the repatriation.

The two-tonne beast pictured here was tranquillised and, dangling like a leathery pendulum from a helpful army helicopter, airlifted to a fresh breeding ground in the northern Limpopo province. And what man here can say he hasn't arrived to a date sedated, blindfolded and hanging by his feet from a helicopter? OK, just us.

WORDS: RORY BUCKERIDGE PHOTOS: MICHAEL RAIMONDO/WWF, WENN

"Ooh, look - I can see
my house from here!"

Rhino finally did his first bungee

HORNY ADVENTURE!

How to transport a rhino

- **Dart the angry beast with a tranquiliser gun. You'll need a dart at least 50mm long and 2mm in diameter to penetrate its hide.**
- **Hit it with a mix of M99 (an opium derivative 3,000 times stronger than morphine) and Azaperone, a tranquilising sedative. Dosage is key, so it's asleep for the shortest possible time.**
- **Bind the rhino's ankles in soft, cotton ropes in preparation to add hoist links. This is easier on the animal's respiration than using a net to lift it. And put in ear plugs and blindfold it so the rhino doesn't panic if it wakes up mid-flight.**
- **Ask the army for a lift. Their helicopters are used to lifting heavy stuff like tanks.**
- **At the destination, administer antidote into an ear vein. Before waking the two-tonne beast, massage its legs, to ensure good blood flow for when it staggers to its feet.**
- **Leg it!**

NUTS GIRLS!

Best boob holiday ever!

India, Emma and Holly went on holiday. We have pictures. You're welcome!

NOW IT'S gone cold in Blighty and everyone's sweating under three layers of wool and Gore-Tex, extraordinarily bright *Nuts* ladies India, Emma and Holly avoided all that, with a trip to Majorca. As disappointed as we were not to get an invite (sad face), the girls made up for it by documenting the trip, and popped the pics in the post. And we popped them into our magazine. That's top popping in anyone's book!

Suddenly, the shortage of sun loungers seemed irrelevant

The visiting mermaid was very sociable

As water parks went, its rides were a bit tame

"No, Holly, we can't drain the pool to look for your hair clip!"

"Relax, girls – they won't bite!"

Emma Glover's hol tales!

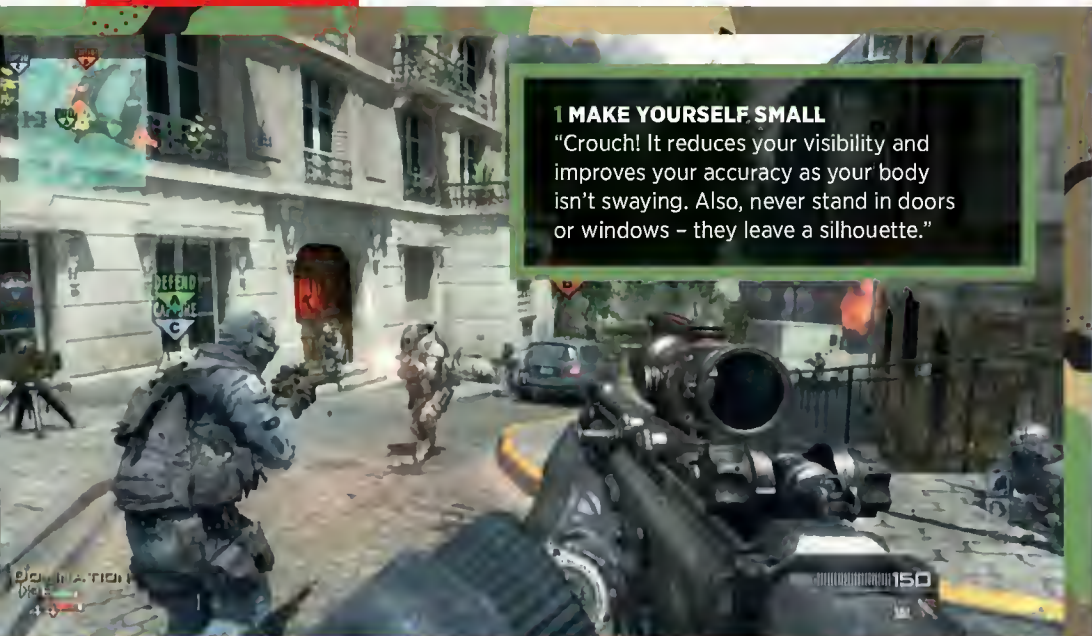

Tale one: "The villa was secluded and we had a lot of wine. Cue flashing our boobs on Chatroulette!"

Tale two: "A benefit of having your own villa is late-night skinny-dipping. Nobody can tell you off for swimming in the buff!"

Tale three: "We got scared in the dark, so we slept in one bed for safety. Plus, India sleep-talks. Eek!"

Tale four: "Leisure diving! (silly posing, mid dive). India and I read about it in *Nuts*, learned how to do this and have lots of pics!"

Tale five: "Topless cooking! We'd take turns cooking, but rules were we had to have our boobs out. We tried to get the cleaner involved. She said no!"

10 killer MW3 tips!

From Robert Bowling. The man who made it!

➔ **WHEN WE** go online to play the biggest game of 2011, *Modern Warfare 3*, we find the internets full of ninjas with reflexes like Red Bull-fuelled cats (who are often rude. And full of death). So we asked Robert Bowling, Creative Strategist at the game's developer, Infinity Ward, how we can get better. Here are his tips. Lock and load, sofa soldier!

2 USE THE ELITE SERVICE

"Essential if you're a rookie. It exposes your weaknesses and highlights your strengths. It'll show you how, why and where you're getting hit and how to avoid it!"

4 SHOULD I CAMP (BED DOWN)?

"You need to be mobile but use stealth, not haste. Never sprint around corners – you make more noise and if you stumble into a clearing, you're immediately exposed."

HE'S THE DADDY!

Robert Bowling is a senior producer on *Modern Warfare 3*.

CALL-OUT

3 WEAPON CHOICE

"Select a weapon which gives you as many bullets as rapidly as possible, eg an SMG. Rocket launchers look good, but if you miss with your one rocket, you're a sitting duck!"

EXPERT ADVICE!

5 USE THE MINI-MAP

"Each time someone fires, they flash up on the mini-map. Play smart and focus on where they are. And fire only when you need to, as you'll expose your position too!"

6 WHAT PERKS SHOULD I USE?

"Team Death Match is all about fast-paced firefights, so focus on speed. I use 'Sleight of Hand' (reload faster), 'Quick Draw' (aim faster) and 'Stalker' (move while aiming)."

7 MASTER AIMING

"Use the left trigger to aim down the sights. It makes you more accurate and it gives you a better picture of your enemy."

8 NEVER PILE INTO A ROOM

"Use a tactic called 'cutting the pie' - edge into the room, see a slice of it, then duck back out. Then go back in for another slice, till you know it's clear. Never run in blind."

9 WHEN TO RELOAD

"Reload when static, never reload on the run - you're a soft target. Remember, in *Modern Warfare*, whenever you're running, you're basically running into trouble."

10 WIN KILL CONFIRMED

"Make 'Extreme Conditioning' your first perk, as this allows you to sprint longer and harder to grab those tags."

EXCLUSIVE!

A quick word with Jimmy Carr!

The deadpan *8 Out Of 10 Cats* host on Marmite, monkeys and sex with geese!

Hi Jimmy! You tour so much of the year, do you actually bother owning a house?

I spend more time in Malmaison hotels than in my own home. It's got to the point where they know what I want to eat. I check in and they go, "Tomato soup, sir?" and I say, "Thanks." It's weird when the biggest luxury in life is your own home. Thank God for Sky+ else I wouldn't know what's going on in the world.

Surely there are some benefits to living in hotels? Free biscuits, 24-hour porn, and you don't have to bother washing your sheets!

Having someone make you breakfast is a pretty big perk. Marmite on toast with scrambled eggs. That's a breakfast.

Marmite and scrambled eggs? Ugh! We're not coming round yours for breakfast!

Try it. And then say that. Put an editor's note in this interview. *Nuts* turned their

nose up at the idea of Marmite on toast with scrambled eggs. You're wrong. It's delicious.

Are you a Marmite kind of comedian then, Jimmy?

All comedians are Marmite comedians. It goes with the territory. The only reason to become a comedian is that you desperately wanted to be liked. It's basically a psychological disorder you do as a job. Then half the people go, "I don't find you funny at all!"

So you really want to be cheese on toast if you're a comedian? Everyone likes cheese on toast!

No comedian is cheese on toast. Everyone is Marmite. "Yeah, I find him funny." "I think he's sh*t." It's very on/off with comedy.

You've had seven live DVDs... *Live, Stand-Up, Comedian, In Concert, Telling Jokes, Making People Laugh, Being Funny*. Yes, I remembered them all.

This isn't a quiz. You don't win a prize for naming your DVDs. Aw!

Having said that, why not just re-release your first DVD with a new title and have a year off? Would anyone notice?

It's great idea. It would be a bit like writing a magazine that's almost identical week after week. Hello, *Nuts*!

Oi! So, like a fine wine or a copy of *Nuts* magazine, have you aged well?

I think I look better now than when I started. When I did my first DVD, I'd been living on the road and I was eating late night after each gig. Try to get something healthy to eat at one in the morning. The healthiest thing is the salad in your kebab. So that's my boy's diet tip. Eat during the day, big breakfast, big lunch, don't have anything after six.

You've performed to over 1.2 million people. Has anyone ever asked for their money back?

No. Don't buy a f*cking ticket if you're easily offended. If you have a moral compass, leave it at home if you come and see my show. You don't buy a ticket by accident. I don't know anyone who's gone, "I tripped and fell and accidentally bought a ticket to see Jimmy Carr live."

Do you get annoyed when people steal all your best jokes and tweet them?

I get five tweets a day. "You've nicked that joke from Sickipedia." No, I tweeted it first, actually. I can't be bothered to explain.

Was *10 O'Clock Live* actually live or did you pre-record it in case you messed up?

It was properly, terrifyingly, butt-clenchingly live. I've found the fear again. I've got so f*cking used to gigs. Now, doing live TV, it's terrifying.

We've heard that if you put an infinite number of monkeys in front of an infinite number of typewriters, they'd eventually come up with the complete works of Shakespeare. Why not use a similar approach when writing your next tour?

What people forget is the amount of admin of going through all the other material before finding the Shakespeare. Also, you can probably buy *The Complete Works Of Shakespeare* for about a fiver in Waterstone's. How much monkey food would a fiver buy?

Most comedians are a bit miserable, tears of a clown and all that. Yet, when you laugh, you sound like a drowning seal. How come?

Most people laugh on the out breath. I laugh on the in-breath. So it sounds like a goose being raped. Don't ask me how I know that, but my laugh sounds exactly how a goose sounds when it's being raped.

HERE HE IS!

Aston-based Danish supercar!

It's the HBH Bulldog GT, once a V12 Vantage!

- Ever wondered what might happen if a Danish design company decided the Aston Martin Vantage V12 was a bit pedestrian? Us neither. But we're very glad they did!
- This serious project was several years in the making by HBH, the Danish design house that shaped the 1,100bhp Zenvo ST1 hypercar. Called the Bulldog GT, it pays tribute to traditional Aston Martin materials and build quality.
- There's a hint of McLaren MP4-12C about the styling of the hand-beaten aluminium shell, which HBH tells us has been shaped in the wind tunnel. Beneath the body are the underpants of an Aston V12 Vantage, but with the bits slightly rearranged.
- Traditionally, Astons have their engines up front. The Bulldog project doesn't – instead, its V12 is mid-mounted behind the driver/passenger seats. Rest assured, the supercharger whine will be apparent, because it has two.
- While a standard 6.0-litre V12 Aston Vantage delivers 510bhp of push and 420lb-ft of shove, the engineers added the twin blowers to reach 666bhp – all through Aston's dependable six-speed manual cog-stirrer.
- Despite the extra 150-odd bhp, top speed drops from 190mph to 186mph. Not that you'd really sulk about it, especially when the all-important 0-62 dash has been slashed from 4.2 to just 3.9 seconds.
- There's no word on a price tag, but whoever buys the Bulldog GT will receive a 50 per cent stake in the car's design and production rights. This means owners would decide if they want to keep the vehicle bespoke or make a profit by allowing it to go into limited production.
- Don't expect the price to be close to the £135k you'd pay for a Vantage V12. It'll probably be triple that.

They did this too!

HBH designed the Zenvo ST1 in 2009, a 7.0-litre V8-engined supercar with both a supercharger and a turbo screwed on. It spits out 1,104bhp, and does 0-62mph in three seconds. Cost? £620k!

"Buy it? Oh no, dear, I won it in the church tombola!"

"£1.36 a litre? It was 2p cheaper down the road!"

HE'S RUDE, RANTY AND RIOTOUS!

Jim's an award-winning comic from Australia. He likes swearing and being angry.

"Bieber's aggressive in the sack?"

SOME CHICK has come out and claimed that Justin Bieber's the father of her baby, revealing that when they sh*gg'd, he went from being "really cute" to "really aggressive". Well, sweetheart, that's what f**king is. Rock stars don't take you into their dressing rooms to make sweet love to you, they just want a dirty fan sh*g after a gig to unwind. What is it with "making love" anyway? I assume it's the same as f**king but you go slower and don't call the chick horrible names. If it's really true, it raises the question, how aggressive could Justin Bieber really be? Imagine his dirty talk – the minute he says, "Who's the daddy?" he'd break down in tears and ask the chick if she knows where to find him.

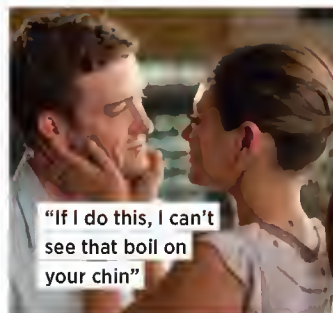

"You. In the loos. Five minutes. My wife watches"

"Porn on planes is stupid!"

IT SEEMS that every week I hear something f**kin' ridiculous about Ryanair, but this one tops the f**kin' lot. They're now apparently going to have porn shown on their flights. Now, I love porn – nothing fills up two minutes like it. But not on flights! I can never watch porn without w*nking, so what's the point? What's the worst thing about being on a plane? Sitting next to a fat man. Now picture that same man w*nking. Just imagine the queues for the toilets! Ryanair claim that the price of the hand-held porn viewers will be very reasonable. What they don't mention is a box of tissues will cost £50.

"Why not f**k a friend?"

A REPORT last week revealed that one third of British women have a male "friend with benefits", a guy with whom they aren't in a relationship but who they use for sex. I like the idea but

"If I do this, I can't see that boil on your chin"

I can't believe it's only a third – if you're single, you still want to f**k, but it's a lottery going out and f**king a stranger, so why not f**k a friend? Someone you know won't turn into a psycho the next morning. I've had friends with benefits, and the benefits I received included genital warts, herpes, and a child that I swear doesn't even look like me!

"Docs are rude for a reason!"

ANOTHER REPORT! This one says British doctors and nurses are regarded as the rudest in the world. When told about this, NHS bosses said that manners are a luxury they can't afford. Now, my grandma always said that manners cost nothing, but she was old and stupid so what the f**k would she know? I don't even remember that much about her, I think she died from some superbug she got in hospital on holiday in London. Anyway, why wouldn't doctors and nurses feel grumpy – we only see them when we feel like sh*t. The only time I go to see my doctor is when my haemorrhoids flare up, so I'm assuming the very sight of my face ruins his day. If he's not grumpy after staring up my swollen arsehole, I'm not sure I want him looking after me.

'My ring finger was almost hanging off!'

Lost keys almost result in lost digit for hapless *Nuts* reader!

➔ **LOSING HIS** keys almost cost *Nuts* reader Gerry Timmins a finger when his attempt to save money on a locksmith went badly wrong.

"I was coming home from a night out and realised I'd left my keys somewhere," explains the 27-year-old Londoner. But instead of

calling a professional to let him into the house, Gerry chose to take matters into his own hands and stage a DIY entry.

"I made a key using nothing but a rock and a bit of brute force!" he says. "Unfortunately, it didn't work out quite as I'd expected and the rock cut into my finger. I noticed a steady gush of blood and I couldn't

see much – only that my ring finger was almost hanging off!"

After being rushed to A&E, Gerry was told that he'd severed a few nerves and that he had an 80 per cent chance of losing his finger. "Luckily, the 20 per cent pulled through and I just had to wear a cast for six months," he tells us. "But it's still bent to this day!"

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might
recognise Danni
from hit TV show
Candy Bar Girls
on Channel 5!

She can't be serious!

I recently slept with a girl who I've known for a long time. I considered it a one-night stand, but now she won't leave me alone and seems to think we have something serious going on. It's flattering and I don't want to be mean to her, but I'm not interested in a relationship right now. What do I do?

SPUDS Essex

Did you not realise that sleeping with a young lady is effectively a marriage proposal, you ignorant young fellow? You'd better buy her a ring and a wedding dress asap, or her brothers will be round to interview you!

Boob job nightmare!

Recently, my wife got a boob job. I paid for it and was well up for it at the time. However,

LETTER OF THE WEEK!

Gimp suit's not for me!

My missus bought me a gimp suit for my birthday and I thought it was supposed to be a joke, so I laughed it off. The problem is, she keeps asking me to put it on and gets really offended when I refuse to wear it. Should I just give it a bash to keep her sweet?

BERNIE Saltash

Ah, it sounds like she's a saucy one! I think you should loosen up. I imagine it will be perfect for you. If it is, and if it gets you curious, you should wear it as often and for as long as your lady requires.

she's gone from being a really sweet girl to whipping her boobs out every chance she gets. It doesn't matter where we are but it's worse when she's had a drink. She keeps rubbing people's heads in her boobs and getting girls to feel her up.

It's a nightmare! How can I get her to stop doing it?

DD via email

You shouldn't try to stop her. She's proud of her new breasts, and you should be proud too, as you paid for them. Please send me her phone number.

Having sex will be a bum deal!

I've been seeing my girlfriend for a while now but I'm a virgin. I know that sooner or later we're going to end up in the sack together, but I'm really worried because I have a spotty bum and I think it might put her off going all the way with me. Do you think I'm just being silly or am I right to be concerned?

RORY Belfast

She won't be looking at your bottom but she'll see your c*ck, obviously. Is that spotty as well? If it is, you should see your GP before you expose this young lady to a possible STD.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual Nuts address on p72.

Company perks

A MAN phones work to say he won't be coming in because he's sick. His boss says, "You know, when I feel ill, I have sex with my wife. I find it's very therapeutic and you should try it."

The employee decides to act on his boss' advice and shows up at the office a few hours later, looking healthier than ever.

"Did my advice do the trick?" asks the gaffer.

"Too right!" replies the employee. "And what a lovely house you've got, boss!"

"You can't wear white," the sales assistant reminds her, "You've been married three times already!"

"But I'm still a virgin!" says the bride.

"That's impossible!" replies the shop lady.

"My first husband was a psychologist. All he wanted to do was talk about it," the bride explains. "My second was a gynaecologist. All he wanted to do was look at it. My third husband was a stamp collector... God, I miss him!"

Danielle

**Meet the 20 year-old,
30E Preston babe!**

**Hi Dani! Did you have
fun on your shoot?**

So much fun! This is my second, so I'm hopefully getting to be a pro now!

What are your best assets?

Everyone's been telling me to get my boobs out, so it'd have to be them, I guess!

**You said this is your second
shoot. What was the first?**

I shot a calendar for an online sex shop! We did a calendar with some girls in Holland – the sexy toys weren't in shot though! They were going to send us to Ibiza but I think they thought we'd get wasted!

**If a guy wants to approach you,
how should he go about it?**

Don't even think of an "approach"! I just like a guy to

be himself. I don't care what you look like, just be fun.

What type of guy do you go for?

Someone who looks after himself – but not too muscly. I'm not into big muscled.

What's your sexiest outfit?

The one I'm wearing here! It's very cool wearing suspenders and cute T-shirts, and it was nice to get on some sexy boots instead of plain heels!

**What are you like on a night out
– bit of a party animal?**

I'm wild! Last New Year, we all came back to my flat and had a noodle fight in the kitchen. I woke up with noodles in my hair and a wrecked flat!

**Where would be your ideal
location for a sexy shoot?**

Somewhere warm! I used to live in Grimsby, so somewhere with a decent beach so I can get a decent tan!

John Bishop

Vs the Nuts Question Bucket!

Sell:

The comic on marsupials, sales etiquette and Andy Murray's toilet habits!

Copy:

➔ **THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Could you beat a kangaroo in a fight?

It depends what the kangaroo was armed with. If it was pure kangaroo, I'd fancy my chances. I rode a bicycle through Australia. I've seen a lot of dead kangaroos. You could smell their carcasses. There aren't many kangaroos who've seen a dead John Bishop.

Is there a God?

Yeah. His name's Kenny Dalglish. He's the second God after Robbie Fowler.

Is this a rhetorical question?

"Is this a rhetorical question?" is actually a closed question. It only

requires the answer "yes" or "no". If you've ever been in sales, this isn't the way to go. Always ask open questions. "What's a good rhetorical question?" is an open question that leads to discussion and, hopefully, you selling something. I bet you didn't know that!

When did you last cry?

I'm a big crier. I never used to be. Probably at the results of *Strictly Come Dancing*, when Robbie Savage stayed in.

What's the square root of 169?

What times itself makes 169? Is it 43? Is that right? [No, $13 \times 13 = 169$ - Nuts Sums Ed]

If you saw yourself in a dress, would you fancy yourself?

When I was a student. I went to a fancy-dress party dressed as a woman.

I borrowed the clothes, put all the make-up on, took one look in the mirror and decided to stay in with myself. So the answer's yes. Ha! As long as you shave one leg and drape it out to look at, you can be whoever you want.

Can you cook?

Funny way to pronounce your Fs. Hey, hey! It depends what you define as cooking. Can I warm things up that are then edible? Yeah. Can I cook from raw? Not yet. But I will learn how to cook.

Would you be prepared to drown a cat if your dog's life depended on it?

I'd drown a cat for the sake of it. Cats are rubbish. Cats have an arrogance you don't want from a pet. Cats are brought in to show you what you really don't want in a pet, in the same way some people support West Brom.

Would you rather have the body of a human and the brain of a monkey or the body of a monkey with a human brain?

So, what you're saying is, "Do you want to be Richard Keys or yourself with the brain of a monkey?" Ha! I'd much rather be a monkey with a human brain, then when they remake *Planet Of The Apes* again, you'd probably get a part.

Who's the most famous person you've stood next to at the urinal?

Andy Murray, when we were filming *A League Of Their Own*. He only just got it in, to be honest.

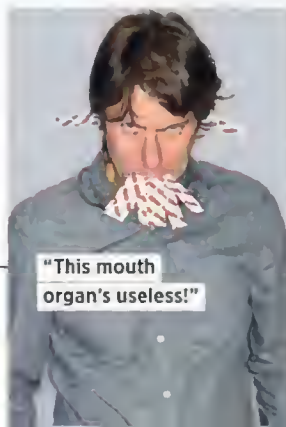

What's the worst hairstyle you've ever had?

I shaved my hair off once with a razor, down to the skin. I sat in the bath with a pair of scissors and a Bic razor. I think I was having a midlife crisis, bearing in mind I was married with kids. My head went blue! ✕

WHEN FANGS GET FIXED

Welcome to our before and after gallery of famous types with huge dental bills!

STEVE-O FROM JACKASS

Given the situations he's been in, we're surprised he has any teeth at all, but nowadays Steve-O is pearly white rather than the colour of wee-wee. Which Steve-O probably drinks.

NOEL GALLAGHER

He may not look back in anger, but he can certainly look back and think, "Bloody hell, it's a good thing I spent a few quid getting my manky chompers sorted out!"

TOM CRUISE

Let's not mince words here, if Tom had let his toothypegs stay like that, he'd never have become a top film star and *Mission: Impossible 4* would never have been made. So we're all for it!

PEARLY FRIGHTS!

SHAUN RYDER

This one represents both the startling evidence that Shaun has had his teeth fixed, and also the easiest game of spot the difference that has ever been created. Amazing!

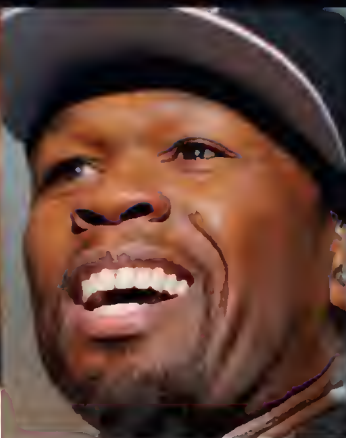

PITIFUL PEGS!

**PROFESSOR GREEN**

In the video for early single *Upper Clapton Dance*, the Prof revealed that, whatever he's a professor of, it ain't dentistry. But his gob's all better now, innit blud?

**50 CENT**

Did you know that Fiddy is so called because he only used to spend 50 cents buying toothpaste every year? No? That's because we just made it up. It'd make sense though.

**CRISTIANO RONALDO**

Cristiano's a man who takes his appearance very seriously indeed (or, to put it another way, he's an absurd preening buffoon) and he clearly extends this to his teeth. Clasico!

**RONAN KEATING**

What this picture tells us is that while Ronan may have learned how to rein in a big buck-toothed pout, he still has a significant amount to learn about taming floppy hair.

**SIMON COWELL**

What's shocking about this isn't just that SiCo's teeth have gone from pale brown to white, it's that his lips seem to be vanishing as well. That's not a good look at all!

**ZAC EFRON**

It's quite ironic that Zac probably paid a lot of money to get his teeth rearranged, because most right-thinking British blokes would probably have done it for him for free!

A large photograph of Jessica-Jane Clement in a bathtub. She has long, dark, curly hair and is wearing a black bikini top. She is looking down and to the left with a slight smile. A red rose is visible in the water near her chest.

EXCLUSIVE!

Jessica-Jane Clement!

Prepare for TV heaven – JJC's signed up for *I'm A Celebrity*!

A smaller photograph of Jessica-Jane Clement in a jungle setting. She is wearing a wide-brimmed hat and a dark green tank top, looking towards the camera.

JESS IN THE JUNGLE!

Jessica-Jane fears spiders but says she's a daredevil and up for the bushtucker trials. Go girl!

JESSICA-JANE CLEMENT

**“I’m taking three
bikinis and I’ll be
in the lake most
of the time!”**

Wc're all about good news here at *Nuts*, so when we heard that the gorgeous

Jessica-Jane Clement was going into the *I'm A Celebrity, Get Me Out Of Here!* jungle we rushed out and bought a load of party poppers, a giant bag of crisps and some pop to celebrate. Wahey! Those long, winter months were filling us with dread and we worried that once we'd completed *Call Of Duty: Modern Warfare 3* we'd go stir crazy, but not now! While we're all waiting for the girl we're more used to seeing hustling city folks take her first tropical shower, here are some words of wisdom that should give us an idea how she might survive the show, plus a few thoughts on what she's looking forward to about life in the jungle. Oh, and some sizzling hot pictures, obviously!

Jessica-Jane on... eating bushtucker

"I'm a bit of a daredevil. Bring on the bushtucker trials! I'll be saying, 'Come on, is that all you've got?' The food doesn't bother me. In fact, I'll probably put on weight with all the rice and beans. I'll never have eaten so much rice in my life!"

On... jungle swimwear

"I'm taking three bikinis. I don't like the heat very much so I'll probably be in the jungle lake most of the time... I have a black bikini that I bought in Brazil – it's tiny! I'm petite so the skimpier the better. I wear G-string bikinis on holiday!"

On... tasks

"I don't want to say, 'I'm a celebrity, get me out of here!' I'll do anything. I know it can't hurt me and no matter how gross it looks, I want to do ►

"My PVC nurse's outfit got covered in cream!"

every task possible. I see myself as a team player in the jungle. If someone takes on the role of leader, I won't mind doing what I'm told."

On... spiders

"I keep having nightmares about spiders, as I have a phobia about them, but just before I flew out to Australia, I got really excited. It's going to be such an amazing experience and I really want to prove to myself I can do it."

On... hustling

"My best was in a jewellery shop. I bought a necklace with cash. Co-presenter Alex Conran walked in, pretending to be an undercover police officer, and told the lady I'd been handing out fake notes. Then the other co-presenter, Paul Wilson, came in and put handcuffs on me. Alex told the woman he was taking both the necklace and cash as evidence and we walked out with the £750 necklace and the money."

On... having magic boobs

"I wish I had a magic button where I could adjust my boobs to my ideal size. I like big boobs – the bigger the better!"

On... sexy fancy dress

"I once dressed as Jessica Rabbit [from *Who Framed Roger Rabbit?*] for fancy dress. She's a sexy motherf**ker!"

On... doing sex scenes

"I wouldn't let a sex scene hold me back! Not a full-on porno, but if it was subtle, I'd do it. I played a porn star on a TV show once. The worst thing was it was a two-day shoot and my PVC nurse's outfit got covered in cream. They ►

didn't clean it, so the next day I stank of sour milk."

"Someone once walked into a lamppost because they were too busy staring at me!"

On... sexy photo shoots

"I always feel sexy – I'm pretty confident when posing for photos in my underwear! On one recent shoot I did, there was a window cleaner who was taking a long time cleaning my dressing room window. I flashed my knickers at him!"

On... snogging ladies

"If I had to choose one lady to snog it'd be Sarah Michelle Gellar. She's used to kissing girls and making it look real anyway, plus I was a huge fan of *Buffy The Vampire Slayer* back in the day."

On... movies

"I love classic comedies like *Wayne's World*, *Clueless* and *Beetlejuice*. But I love gross horrors like *Saw* as well."

On... men

"Men never tell you when your hair or make-up needs fixing. Men, be more observant! I like bearded, rugged, scruffy men. Ugly to me is a man who's orange, plucked, waxed, shaved and buffed."

On... dating

"I don't expect champagne or anything like that. I like it when a guy pays for dinner. It makes you feel special and looked after."

● *I'm A Celebrity, Get Me Out Of Here!* is on ITV1 every night at 9pm.

WEDNESDAY •

BBC1/HD, 9pm

Awe-inspiring footage!

"Any of you lads seen Nemo?"

Friday 18 November

"First to blink loses"

Transporter 3

CHANNEL 4 • 9pm

Jason Statham does three things very well: being bald, acting tough and – lucky for him – driving cars! So, in this third instalment of the enjoyable *Transporter* franchise, the Stath, as we like to call him, has to deliver the foxy kidnapped daughter of a Ukrainian official. Not the best of the trio but pleasing nonetheless.

★★★★

He hadn't got the gist of astronomy

The Walking Dead

FX/HD • 10pm

The survivors are still holed up with Hershel and his crew as they continue the search for Sophia. Dale strikes out on his own and is confronted by a familiar face from the past, while Glen makes the weirdest, most spine-chilling discovery of the series yet!

★★★★★

"Seven hours in the tanning salon! Why didn't you wake me up?"

Hellboy II: The Golden Army

ITV1/HD • 10.35pm

Really rather awesome fantasy hokum starring Ron Perlman as the demonic-but-nice Hellboy, who defends the good people of Earth against all of the forces of paranormal evil. Here, a truce between the dwellers of the underworld and mankind is shattered.

Saturday 19 November

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

Picking up the pace after a few slower episodes, tonight's instalment sees Nucky promoting a boxing champ, while Jimmy orders the hit on Nucky (foolish) and also has a weird sexual moment with his mum. We know she's hot, but dude, she's your mum!

★★★★

The Killing II

BBC4 • 9pm

It's not often we recommend subtitled Danish dramas but we were totally gripped by the first series of this complex, slow-burning crime thriller. In this new ten-part story, the gruesome murder of a lawyer forces the Copenhagen police chief to recall obsessive detective Sarah Lund to investigate. Well worth the effort.

★★★★

UFC 139

ESPN • 2am

After its stop-off in the UK for UFC 138, the bone-busting competition returns to the US to see Brazilian Mauricio "Shogun" Rua attempt to inflict some damage on American scrapper Dan Henderson, back for his third outing in the UFC at the age of 41. Hats off to him – we'll be lucky if we can get off the settee at that age!

★★★★★

KNOWING

CHANNEL 4/HD • 9pm

When Nicolas Cage is bad, he's very bad, and this really is a stinking load of is-the-world-about-to-end nonsense. Sorry, Nic!

Sunday 20 November

Chelsea vs Liverpool

SKY SPORTS 1/HD • 3.30pm

A fascinating fixture that sees a fundamentally wobbly Chelsea team take on a Liverpool side that can't kill off games at home but prosper on their travels. The presence of former Reds Raul Meireles and Fernando Torres will add some extra spice, too.

★★★★★

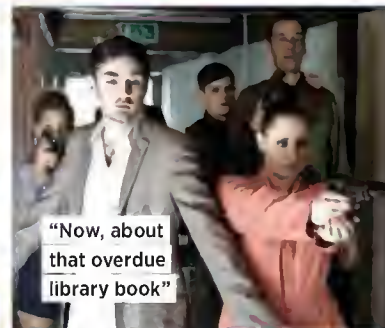

Frontline Medicine

BBC2/HD • 9pm

During the Vietnam War, wounded troops were fixed back together with, believe it or not, superglue. In this docu, Michael Mosley investigates how warfare has led to medical innovations on the frontline coming a long way, very quickly.

★★★

Misfits

E4/HD • 10pm

It's been a long time coming, but finally *Misfits* does Nazis! So, we have an old Jewish bloke who does what we've always thought about doing – travelling back in time and killing Hitler. However, the butterfly effect ripples and the gang find themselves in an alternative world where things are very, very wrong. Can they fix it?

Ross Kemp: Back On The Frontline

SKY1 • 9PM

Ross provides more gut-wrenching evidence of the horrors of conflict. Here he takes in a night-time operation to arrest Taliban members, then he teams up with the American Kilo Company, who've already lost three of their number on this tour.

★★★★

Young Apprentice

BBC1/HD • 9PM

Professional grump Lord Sugar gets the remaining candidates to develop new brands of deodorant. But, teens being teens, it's not long before the tantrums start. Actually, that's exactly how the grown-ups react in the full-blown version of the show!

★★★★

American Horror Story

FX/HD • 10PM

Tonight on the most bonkers new show on TV, we discover more about the Harmons' neighbour Constance, and her connection to Moira the maid. Also, Vivien finds out the history of her haunted home, and decides it's time to move out. Er, you think?

Napoli vs Man City

SKY SPORTS 2/HD • 7.30PM

However dominant Man City are in the Premier League - which is pretty blooming dominant, to be fair - they've been taking rather more faltering steps in the Champions League. Bag a win in Italy tonight, though, and qualification's a cert!

★★★★★

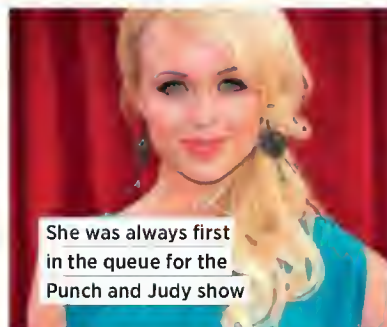

Later Live - With Jools Holland

BBC2/HD • 10PM

To round off the series, Jools welcomes ageing rockers the Red Hot Chili Peppers, bonkers warbler Björk, ex-Oasis bloke Noel Gallagher and alt country star Gillian Welch. Now, there must be something you'll like among that mixed-up lot, surely?

★★★★

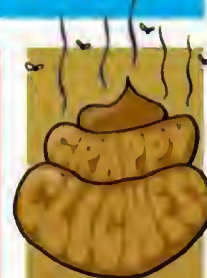

Richard Bacon's Beer & Pizza Club

ITV4 • 10PM

Beer and pizza being two of our favourite things, we generally tune in to this show to see Bacon and his mixed bag of guests (tonight, Dave Berry and Mark Watson) discussing the issues of the moment, and to ogle Jorgie Porter working behind the bar.

★★★

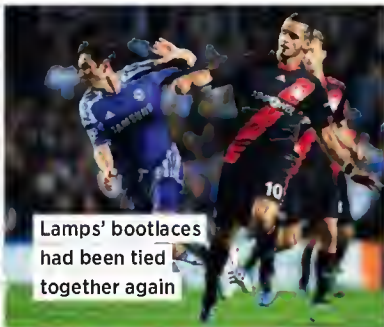

CSI: MIAMI

CHANNEL 5 • 9pm

How many times does Horatio put on and take off his shades? Count the times they say, "Well, let's see what the evidence tells us" or "Take him!" when they catch the bad guy.

Wednesday 23 November

Bayer Leverkusen vs Chelsea

ITV1/HD • 7.30PM

And so it's off to the Bay Arena in Germany, where Chelsea will be hoping to do better than they did in their last away tie, a 1-1 draw against relative minnows Genk. Fact: Jose Mourinho won the Champions League at this ground with Porto in 2004.

★★★★★

Frozen Planet

BBC1/HD • 9PM

Sadly, the animals that inhabit the north and south poles don't have the option of heading to Spain for a fortnight, so when winter kicks in it's time to find some way of getting warm. Now, this is why we pay our TV licence fee, as we see seals weaving around underwater ice forests and snow-scorched terrain. Amazing!

★★★★★

Chris Moyles' Quiz Night

CHANNEL 4/HD • 10PM

Nuts fave Tim Vine gives a tour of his home town of Cheam in Surrey before performing a gig there featuring gags like, "Whenever I drive my car, eggs shoot out of the boot - it's a hatchback!" And how can you hope to top silliness like that? You can't!

★★★★★

The Mentalist

CHANNEL 5/HD • 9PM

Another week, another crime for mystic mind-bender Patrick Jane to solve. Naturally, he knows whodunit from the outset, but for the sake of his colleagues who don't, there's a missing boy, two other kidnappings and an array of possible villains, all about to be mentalised by Jane until the baddie's weeded out.

★★★

House

SKY1/HD • 10PM

House defies Foreman when he persists in looking into the case of a deceased child. Hang on, House defying Foreman? That's not his style, surely? Ah, we jest. He's soon in bother with the new dean of medicine because of his obsession with the case, though. He just won't stop until he solves it, mark our words.

★★★

LIFE'S TOO SHORT

This shocker based on the true story of Australian serial killer John Bunting, sees events unfold through the eyes of a young lad forced to be

part of the killer's evil plans. In the '90s, Bunting was the leader of a gang of degenerates posing as vigilantes in a small Adelaide suburb who claimed the benefits of their 11 victims. Bunting buried some in his back yard and ate the flesh with his fry-up! ★★★★★

Dubbed the female version of *The Hangover* when it was released, *Bridesmaids* took everyone by surprise. The set-up's simple:

Kristen Wiig leads a group of bridesmaids getting together for a friend's wedding. It sounds like a chick-flick, but it's not. There's gross out humour, cringey moments and "big" bridesmaid Melissa McCarthy's comedy gold. Genuinely funny. ★★★★★

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

GET UP TO £200 FREE PLAY!*

The number lines

It's all self-explanatory - click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins - this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

CONFESSION OF THE WEEK!

'He entered me on his desk'

I WENT to meet my man at his office at the end of the day. He still had work to do, so I waited by his desk. As he worked on some spreadsheets, he dropped his pen. I bent down to pick it up and felt him stroke my back. I gave him a grin and he asked me to sit on his desk then started moving his hands up my thighs. He pulled my French knickers to the side and stroked my clit. I moaned and couldn't wait for him to be inside me. Finally, he flipped me over and entered me. We'd just finished when the cleaners came down the corridor!

Jenny Leeds

'Our horny trip home'

My boyfriend and I were on the way back from his brother's wedding one night. We were in the back seat of the car and his parents were in the front.

My fella gave me a look that told me he was horny, so we pretended we were tired and put a blanket over us. He slid his hand up my dress, pulled my knickers to the side and placed my hand on the inside of his leg. I was worried his folks would turn round but that risk factor made it more

fun. I undid his trousers and worked my hand up and down his shaft. As he slid his fingers inside me, I tried not to make any noise – luckily for us, his parents were too busy chatting to pay us any attention. My man then pulled me closer to him and I shuddered against his hand. Later, when we reached his house, we raced straight up to his room, stuck some music on and made as much noise as we liked!

Emma via email

'We had a sexy dessert'

My boyfriend treated me for our anniversary, taking me to a posh restaurant. As we ate, we flirted like mad and could hardly keep our eyes off each other. The more we drank, the more heated the sexual tension became. After paying the bill, we both headed for the toilets, but I couldn't contain myself and dragged him into the ladies'. We sneaked into a cubicle, where I kissed him before slowly slipping down my lacey panties. He rubbed my clit until it was wet, then bent me over the toilet and made love to me hard. It was so sexy we both came quickly and noisily. We dressed and left, almost bumping into two old ladies. Then we raced out, red-faced, taking a napkin as a memento. We'd had a lovely main course and even better desserts!

Laura via email

'He kissed me all over'

One day last week, I was lying on my boyfriend's bed while he had a shower. We'd just bought the new issue of Nuts and I couldn't wait to read the naughty stories. I was concentrating on the magazine so much that I didn't notice him come back in until I felt his fingers tracing over my boobs. As he played with my nipples through my bra, I tried not to scream with pleasure. He insisted I carry on reading the saucy stories out loud as he kissed all the way down my body. He licked my wet panties before taking them off and throwing them on the floor. Soon, I was climaxing with the help of his tongue and his fingers. I decided to send my story in so that I can read it out to him during our next session!

10 RUDE QUESTIONS!

And a real girl to answer them!

Terrie

24 Stockton-on-Tees

1 Where's the strangest place you've had sex?

"It was on a football field – obviously not during a game, though. Ha-ha!"

2 What's your trademark naughty move in the bedroom?

"I don't have a trademark. Sex is different every time for me. No one wants to be doing the same thing over and over again, do they?"

3 What really turns you on in bed?

"Confidence. I love it when a guy's sexually confident and doesn't hold back."

4 What's your favourite position?

"All of them! Only joking. I prefer being on top and always in control."

5 Is it better to give or receive?

"Both. If it's just one or the other then one person's left frustrated. Although it's a turn-on seeing that you've made someone horny!"

6 What one thing would you really like to try but haven't yet?

"I haven't joined the Mile High Club yet. That would be a funny one to try!"

7 Have you ever got it on with another girl?

"Of course! All girls have and if they tell you different, they're lying. We did stuff mainly out of curiosity. I find the female body sexier than the male one, but I prefer men over women. It just isn't the same!"

8 What's your favourite role-playing costume?

"I have loads of dressing-up outfits! There are two drawers in my bedroom full of them. I have a few sets of sheer pyjamas that are really sexy and I love my new Christmas underwear."

9 Have you ever made a sex tape?

"Yeah, but only while in a relationship. It's fun to do stuff like that but only when you fully trust someone. There's no way you want stuff like that in the hands of an ex after a break-up!"

10 What's the single rudest thing you've ever done?

"I had sex with a guy I was seeing when I worked abroad. It was on the beach in a dark area. People were walking past. We could see them but they couldn't see us. That was naughty!"

"I find the female body sexier than the male!"

"Whoa! I thought that half-time cuppa had a whiff of vodka"

TERRIFIC TOON!

The rise of Newcastle United!

Nuts legend Merse on why Pardew's boys are still unbeaten!

WITH 11 games gone, Newcastle sit an incredible third in the Premier League table. On Saturday, Alan Pardew's men travel to Eastlands to face title favourites Man City, the only other unbeaten side in the division. But why are the Toon defying the critics? To find out, we spoke to ex-Arsenal and England midfielder Paul Merson!

PAUL IN THE PREM!

Merse played for four clubs in the top flight - Arsenal, Middlesbrough, Villa and Portsmouth.

"Pass the Rennies. I've got shocking heartburn!"

SET FORMULA

"Pardew keeps things simple. Newcastle play 4-4-2 and have pace on the flanks. They also know how to defend as a team, while **Leon Best** works as hard as any striker. Also, the starting line-up rarely changes."

FIXTURES

"Newcastle have had a decent start in terms of fixtures. They've faced Spurs and **Arsenal** at home but are yet to face one of the big boys in their own back yard. City, United and Chelsea are coming up though."

"Ha! I can make a farting sound with my lips!"

It's the Sports Direct Arena!

Away from the action, the Toon Army are less happy about the renaming of St James' Park. Celebrity Tweeters soon joined in...

Joey Barton:
"It will always be St James' Park to me. Ashley and his subordinates, know the cost of everything but the value of nothing... #numpties"

James Corden:
"I hope so much every day that West Ham get promoted so we can play at places like the Sports Direct Arena."

Sammy Ameobi:
"Guess my very 1st game at St James' Park... was also my last!"

Gary Barlow:
"Phaa yeah right, it will always be St James' Park! Re-Tweet If you think the same!!"

Jeff Stelling: "The hideous decision to rename Newcastle's ground has well and truly got my goat! I for one will do my utmost to call St James' Park just that."

TEAM WORK

"They're a proper team. They play for each other and work hard. There's a great team spirit. They remind me of Everton from a few years ago, and George Graham's Arsenal side I played in."

THE PARDEW EFFECT

"Alan Pardew's been outstanding. The way he was treated at Southampton was a joke and he did really well at West Ham. In fact, he has to be a serious contender to be next England manager."

SIGNINGS

"After losing Kevin Nolan and Joey Barton in the window, Pardew's made some great signings. Demba Ba's been fantastic and Gabriel Obertan's done well. Yohan Cabaye's also been a top buy."

He loved pretending to be a tightrope walker

"Hold on, there's a giant bogey on the ball!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Fifa are a joke!

Their ban on poppies really gets my goat!

➔ I SEE Fifa are at it again! Their decision to ban

England players from wearing poppies on the front of their shirts against Spain was a disgrace! Their draconian rules hold football back and Sepp Blatter's reign goes from bad to worse.

What has it got to do with Fifa anyway? The Poppy Appeal has always received massive support and it's hugely important to our country.

I understand Fifa believe it'll open the floodgates for every country to start changing their kit, but in this particular case, would it have hurt them to show some common sense? Have some compassion for the millions who died and their families, instead of hiding behind red tape and bureaucracy.

At least they partially relented and the players were allowed to wear the poppy embroidered on black armbands but still, I just can't get my head around their stance!

"Go ahead, guys - check out my amazing guns"

Super Spurs are flying!

HOW WELL are Spurs playing at the moment? They're second in the form table behind Man City and have climbed to fifth in the Premier League.

I spoke to Harry Redknapp recently and he stressed how much everyone wants to get back to the Champions League. They certainly have a fantastic chance. It'll be a straight fight between Spurs, Liverpool and Arsenal for that fourth place, and it'll probably be as exciting as the title race!

Harry's worked wonders. His signings in the summer were fantastic and he always brings the best out of players.

I wish him all the best after his operation and hope he's back on the touchline as soon as possible.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

FANTASIC FERGIE!
It's great that Sir Alex Ferguson has had a stand named after him at Old Trafford – he deserves it. He's the greatest manager of all and shows no sign of stopping!

UNBELIEVABLY BAD!

NOT SO FAB!
I can't believe Fabio Capello missed his son's wedding because of the match against Spain! Doesn't his boy know that dad will be busy most Saturdays?

Cracking Krakow for England!

THE FA has decided that Fabio Capello's squad will base themselves in Krakow for Euro 2012. It seems they've learnt their lesson from South Africa and are abandoning the luxury and isolation of their 2010 Rustenberg camp. The players won't be away for as long as last time and may have a few more things to entertain themselves with. At least the Wags will be happy, I hear the shopping is excellent!

"Did you watch My Family last night? Hilarious!"

THE BIG MATCH!

"Get lost, Didier – can't you see I'm doing my Status Quo moves?"

Chelsea vs Liverpool

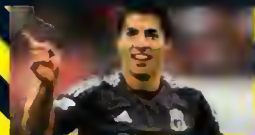

SUNDAY 20 NOV, 4PM • SKY SPORTS 1/HD

This is a big test for Liverpool, but one that I expect them to get something from. Kenny Dalglish's men have struggled against the lesser teams this season but always seem to turn up against the big guns. The Reds will leave Stamford Bridge with a point.

KAMMY'S PREDICTION: 1-1

Key man

Luis Suarez has been Liverpool's top man this season. He'll need to lead the line well if the Merseysiders want anything from the game.

Arsenal could lose Robin!

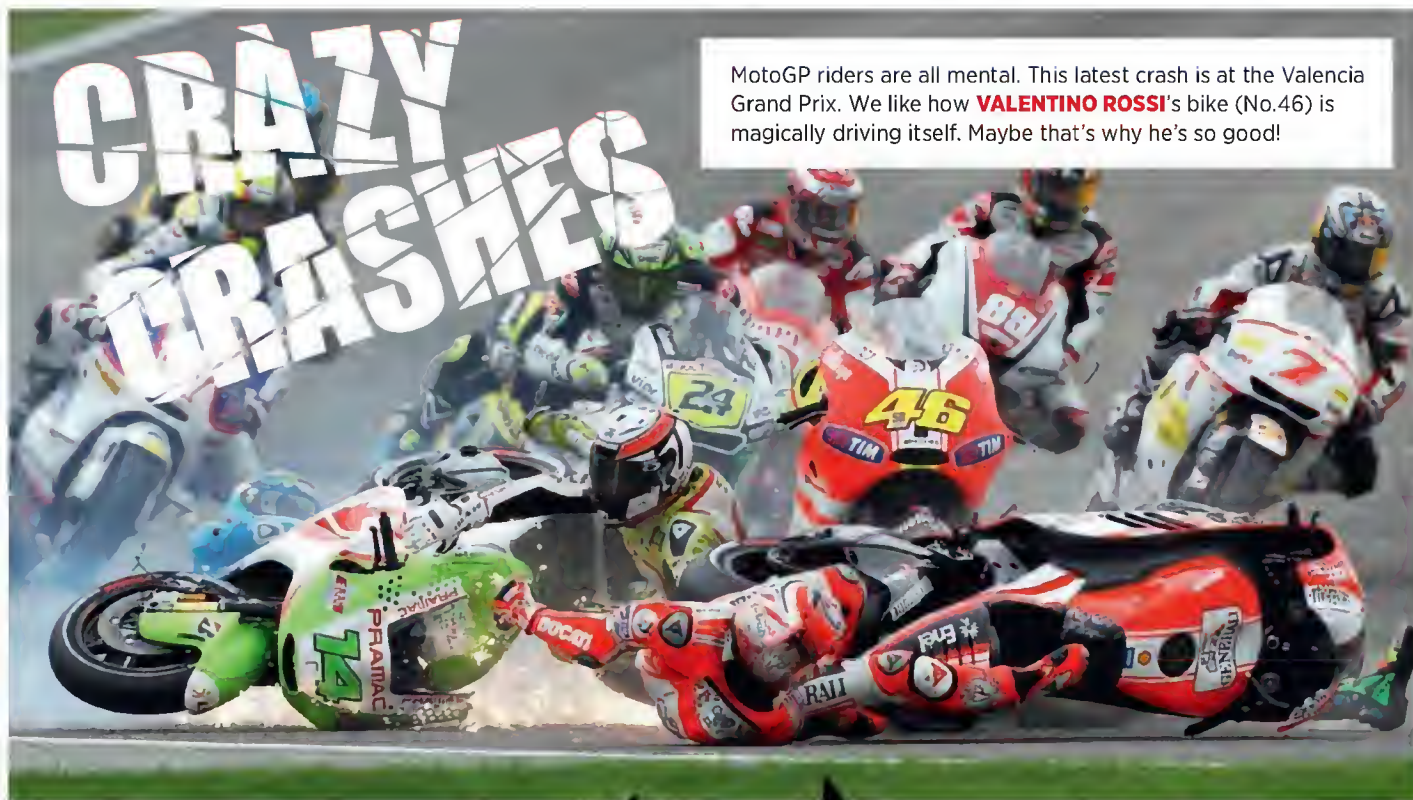

THE FOOTBALL vultures are circling Arsenal striker Robin van Persie. I see Inter are the latest club to be linked with the Dutch frontman. I can't see him moving away from the Emirates in January, but he could be off at the end of the season, especially with only one year to run on his contract.

"Yoo-hoo! Mum! Back by six. Get the chips on!"

Nuts ABOUT SPORT!

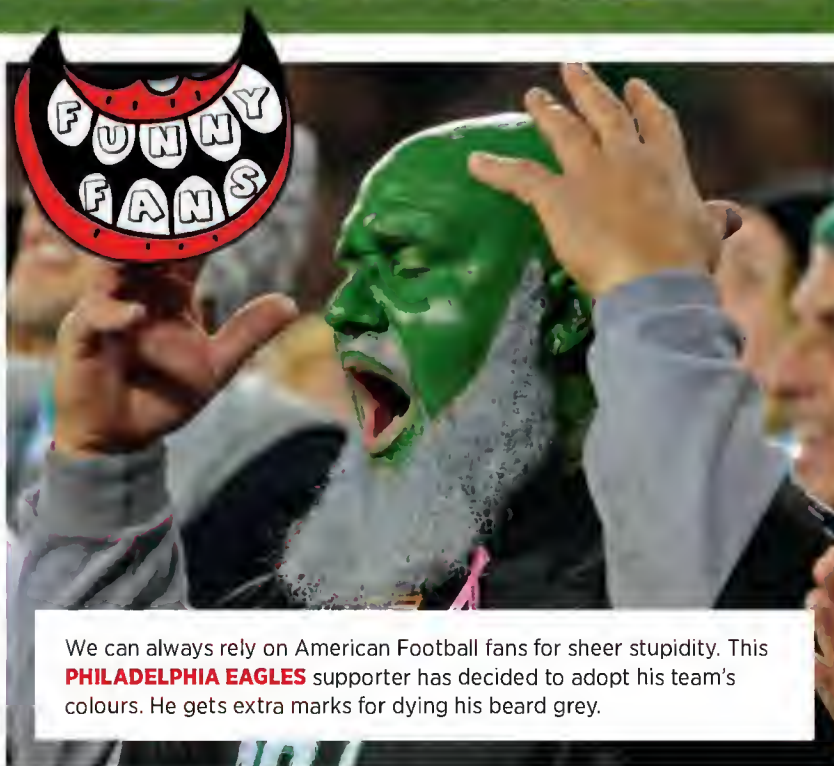

Funny goings-on in the wonderful world of sport!

MotoGP riders are all mental. This latest crash is at the Valencia Grand Prix. We like how **VALENTINO ROSSI**'s bike (No.46) is magically driving itself. Maybe that's why he's so good!

Boxing is meant to hurt, obviously. But this looks *really* painful. We especially like the way Jamaican **GLEN JOHNSON**'s head is rippling on impact.

We can always rely on American Football fans for sheer stupidity. This **PHILADELPHIA EAGLES** supporter has decided to adopt his team's colours. He gets extra marks for dying his beard grey.

Australian golfer **STUART APPLEBY** has grown this handlebar for Movember. It's great – we get a laugh and he raises money for charity. Everyone wins!

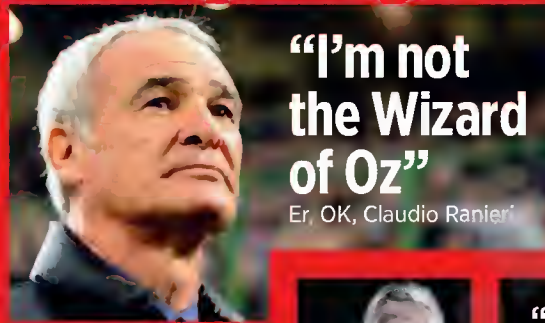

Mario Balotelli's been caught stepping out with 32FF glamour model **HOLLY HENDERSON** while his girlfriend Raffaella Fico is in Italy. It's a tough life!

NUTS PROMOTION

Are you a survivor?

There's extreme survival – and then there's *Cabela's Survival: Shadows Of Katmai*...

➔ **PICTURE THE** scene: you're a pilot, flying over the majestic, savage scenery of Alaska, when the engine cuts out. Suddenly, you're plunging towards the ground, wrestling with the controls – and then everything goes black. When you come around, you're exhilarated to still be alive – and then you realise that you're stranded in some of the most inhospitable terrain on Earth, and you're going to have to battle your way back to civilisation, a long way away...

In *Cabela's Survival: Shadows Of Katmai*, the incredible new game from extreme-survival specialists Cabela, you are that pilot. Logan James is your name, and the bad news is that you've just crashed in the

mountainous wastes of Alaska. Death is stalking you at every turn from the word go. The good news is that you have the skills to keep it at bay – you just have to work out how to use them to your advantage.

You'll have to scavenge for survival gear and weapons, evade or fight off the flesh-hungry predators that roam in those barren mountains, and negotiate conditions so extreme they'd make Bear Grylls cry for his mum. The whole of Mother Nature in all her savagery is up against you – but if you can't fight back, you're going to end up as a lonely corpse in the snow.

Cabela's Survival: Shadows Of Katmai is more than just a game – as the name suggests, it's a fight for life itself, in a vast, sprawling third-person action adventure where every last rock, tree, river or pathway is a potential deathtrap.

You'll need to explore, hunt, solve problems and, most importantly, stay alive. But there's more good news: thanks to the game's amazing new Top Shot Elite light gun peripheral, you can also blast off some buckshot if something sharp-toothed and bad-tempered has you in a tight spot. Because when everything you do is a matter of life and death, it's good to be able to dole out a little bit of the latter yourself.

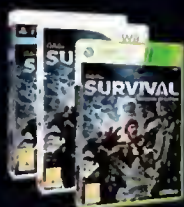

Awesome accessory!
